TravelMate P4 14

TravelMate P4 14

Designed for hybrid workers in SMB or Enterprise, the TravelMate P4 business laptop offers fast performance, strong security features, and a quick charging battery for a more enjoyable hybrid working experience while in the office, at home or on the go.

Premium Design

Durable and lightweight, this laptop features a magnesium-alloy chassis and a 16:10 thin-bezel display with up to 2K¹ resolution so that your visuals are always crystal clear.

Next Gen Performance

This thin and light laptop is powered by the Intel® Evo™ vPro^{®1} Platform and features a 13th Gen Intel® Core™ i7 CPU¹ in addition to a discrete NVIDIA® GeForce RTX™ 2050 GPU¹, 64 GB SODIMM memory¹, and a 65W long-lasting, fast-charging battery¹.

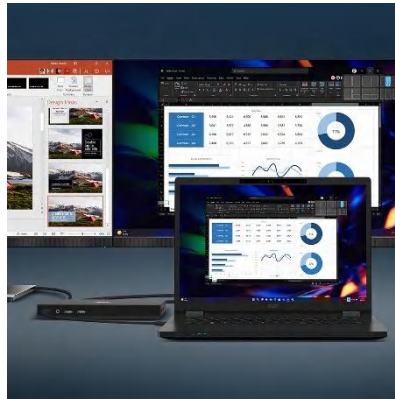

Keeping Dust at Bay

Our latest Dust Defender technology allows the fan to blow dust out and minimize dust accumulation so that performance stays strong. The automatic cleaning functionality occurs when you power on your system and after every 6 hours of use.

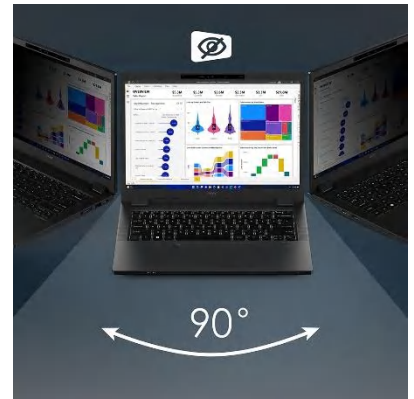

Optimized Video Conferencing

Simplify video calls with this laptop's FHD¹ IR webcam with privacy shutter, enhanced voice capture with Acer PurifiedVoice's AI-powered noise-reduction, and upward-facing speakers with DTS® Audio.

Faster, Stronger Connections

Featuring 2x2 Wi-Fi 6E, optional 4G LTE¹ connectivity, and two full-function USB4 Type-C ports with Thunderbolt 4, this laptop for work keeps you on the move while also enabling multiple 4K displays, file transfers, power charging, and more.

Security & Privacy

Enjoy secure logins with IR facial recognition¹ or the power-on fingerprint reader¹. Acer User Sensing technology locks your screen when you leave, while the privacy panel² helps protect your screen by obscuring viewing angles beyond 90 degrees².

TravelMate Solutions

Be it at home, work, or at the frontline, TravelMate's streamlined selection of laptops offer solutions for the new challenges that professionals face today.

Collaboration

No matter where you are in the world, make use of adaptable collaborative tools to easily get things done together with your colleagues.

Productivity

Combining next-gen hardware, intuitive designs, and highly functional applications, you'll be able to get more done in less time than ever before.

Security & Privacy

Protect your privacy and your data from unwanted access with the latest security features and designs.

Organizational Efficiency

Optimize resources and save your IT team from undue hassles with highly efficient applications to deploy new devices, secure them, enable remote access, and more.

Added Protections

Combine military grade durability, reinforced IO ports, and more for not only a high-performing professional laptop, but one that overcomes all the challenges that work and life throw at it.

Sustainability

Acer is committed to creating a green revolution within the technology industry. The TCO certified¹ and EPEAT¹ Gold-rated TravelMate products contain post-consumer recycled plastic, and use 100% plastic-free and recyclable packaging. We ensure that the products we offer are environmentally responsible as well improve your ESG performance.

1. EPEAT[®] registration and TCO certification vary by model and country. For more information, please search the EPEAT[®] and TCO registry, or contact your Acer representative.

1. Specifications vary depending on model.
2. Shared system memory may be allocated to support graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by any memory used by the graphics solution and resources required by the operating environment.
3. Memory speed may vary, depending on the CPU, chipset or memory fitted.
4. A 64-bit operating system is required to enjoy the ultimate performance of 4 GB or higher memory.
5. All brands and product names mentioned herein include trademarks of their respective companies and are used solely to describe or identify the products.
6. Not all features indicated are supported on all SKUs
7. 1 GB is 1 billion bytes, 1 TB is 1000 GB. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer Recovery Management uses a portion of the stated hard disk capacity as dedicated backup space
8. Minor variations in system dimensions are possible due to the manufacturing process.
9. Weight may vary depending on product configuration, vendor components, manufacturing variability, and selected options.
10. Actual battery life may vary considerably by specifications, depending on product model, configuration, applications, power management settings, operating conditions, and features utilized. Performance variation also arises based on components in use, which includes but is not limited to the processor, RAM capacity, storage, display and resolution, etc.
11. Bundled software may vary depending on hardware configuration, OS and regional availability.
12. EPEAT® registration varies by country. See <http://www.epeat.net/> for registration status for each country.

What We Offer

Innovative Solutions*

Acer offers a range of unique services that simplifies everything from purchasing your product with Acer Device as a Service (DaaS) and trade-in programs to deploying and managing your device with Acer Office Manager and Acer ProShield Plus.

Guaranteed Peace of Mind*

All TravelMate products include a minimum one-year International Travelers Warranty. Depending on your region, you can extend this warranty for up to 5 years while also taking advantage of additional coverage for the battery, data recovery, media retention, and insurance for accidental damage.

Award-winning Service*

Our award-winning service model allows us to quickly and efficiently support your business to meet challenges head-on. With more than 3,000 service and repair centers in 160 countries and regions, Acer for Business provides round-the-clock access to skilled and experienced technicians across the globe.
